Please complete one form for each quilt you intend to enter in the show. A 4 X 6 photo MUST accompany your entry form even if it is not yet complete. Also it would be wonderful for each quilter to provide the story of their quilt. Please print and use the titled paper provided. All quilts entered in the show must have a label with your name attached to the backside. Plus all quilts must have a hanging sleeve attached along the full width of the quilt. If you absolutely can not put a sleeve on your quilt, then please provide adequate 2" curtain rings for hanging. For example, a queen size quilt would need a minimum of 10 rings. Your entry form, picture, and quilt story are due by October 8, 2009. Please deliver to Matt Sparrow at the September or October meeting. If you are unable to do so, please call 780-633-4242 to make alternate arrangements.
